Welcome To Centennial Neuroscience!

You, the patient, are the most important person in our office. We are committed to providing you with the best possible medical care. Excellence is our goal. We have worked to provide a full range of services and have highly trained and knowledgeable staff. Please do not hesitate to ask us any questions about your medical care.

What You Will Need For Your First Visit:

For your first visit, **please bring your insurance card, a photo ID, any medications you are taking, and your referral information.** You will also need to complete the forms attached to this letter and bring them with you to your appointment. Unless arrangements have been made in advance, co-payments, co-insurance, and any outstanding balances are expected to be paid at the time of service. **Please check-in 15 minutes early for your scheduled appointment. If you are more than 30 minutes late for your appointment you may be asked to reschedule.**

Important Things To Know About Our Office:

Office Hours: Monday-Thursday 8:00am-4:00pm , Friday 8:00am-12:00pm

After Hours: If you have an urgent need, please call the office, our answering service can help you reach a physician on call.

Emergencies: For any life threatening situation during business hours or after hours. Please call 911 immediately.

Test Results, Messages and Prescription Refills: You can view test results, leave messages for your physician or our staff and request prescription refills through our patient portal 24 hours a day. Please provide our staff with an accurate email address so we can activate your patient portal account. You may also call our office during office hours to make these requests.

Appointments: Please call in advance to schedule your appointment. Make follow-up appointments as you leave. **Please notify our office within 24 hours of your appointment if you need to reschedule.**

We look forward to seeing you for your appointment. Please call our office at (615) 342-6840 if you have any questions or need assistance.
